Rep. Della Rosa,

The Arkansas Professional Fire Fighters were pleased to learn that you will be seeking re-election to the Arkansas House of Representatives. Given your history of supporting firefighter issues and your views on our issues moving forward, the APFF and Springdale Fire Fighters IAFF Local 3007 have decided to endorse you in your campaign for re-election. We feel that you are the best choice to represent the men and women of our organization as well as the people of District 90. We fully support you and look forward to working with you.

Sincerely,

Wade Marshall, President
