Representative Jana Della Rosa
P O Box 717
Lowell, AR 72745

Dear Rep. Della Rosa:

The Arkansas Right to Life Political Action Committee is pleased to endorse you for re-election to the Arkansas House in District 90.

We appreciate the values by which you live, the inspiration you provide those in your community, and the courage with which you stand up for the principles in which you believe.

Arkansas Right to Life commends you for your strong pro-life leadership in co-sponsoring legislation and voting for the protection and defense of the sanctity of human life as a member of the Arkansas House of Representatives.

It is critical to have your voice speak for those unable to speak for themselves. The countless Arkansans who respect the sanctity of innocent human life value the deep commitment you have for this important issue.

We wish you the very best in the upcoming election and look forward to continue working with you to restore the sanctity of human life and an end to legal abortion in Arkansas, the United States of America and in our world.

Sincerely,

A handwritten signature in black ink, appearing to read "O. Wayne Mays", with a long, sweeping horizontal line extending to the right.
